Dear City Academy Whitehawk Families,

This wouldn't normally be a newsletter week, but please accept this as an end of term update to Newsletter 18 with a few additions! I hope you're all ready for a week with each other before we return to school on Monday 6th June.

Special mention must go to Year 2 and Year 6 who have impressed us all with their positivity and perseverance during their SATs weeks – I could not be more proud. It is a team effort; I'd like to take this opportunity to publicly thank the staff team here at Whitehawk who enable our children to perform at their best day in day out - they do such an important job and do it exceptionally well. As I wrote last time, we're frequently visited by people who have heard about our [success as a school](#) and every child and adult who walks through the gates in the is so deeply valued. Thank you.

And on to the news... please read each page of the following letter to find out what makes us special and what's going on over the next little while, including a Jubilee non-uniform day!

In April 2022, we welcomed Brighton and Hove Schools Wellbeing Service and the Department for Education for a tour of City Academy Whitehawk.

During this tour we were proud to showcase our Inclusion Suite, Nurture Classroom, Play Therapy Room and introduce our visitors to some of our amazing Welfare Team.

Mrs. Singh, who leads our amazing Welfare team, and I were then thrilled to be asked to write a blog on our approach to supporting all children to be successful. Please click [here](#) to have a read of our blog on the DfE's website!

Children's Parade 2022

I am thrilled to announce that the Children's Parade 2022 was a resounding success!

Athena the Lobster was carried aloft by a proud team of parents and staff, starting off the Brighton Festival with a BANG!

Athena the Lobster was named by the winner of our school naming competition, Archie in Year 1! When asked how he chose the name, Archie replied, "It's my sister's name!"

Athena the Lobster

Finally, a big shout out to thank everyone who took part! Particularly, Danni Smith and her team of super-talented parent helpers, Miss Rackham for her remarkable trumpeting, Miss Cuthill for keeping us all in tune on her mega-phone and of course Miss Jones for single-handedly keeping Athena aloft (see photo below)

Thank you, Team Lobster!

Online Reading Update from Mr. Faers

Dear Parent/Carer,

In addition to the reading books your child brings home, you now have access to the Read Write Inc. eBook library. This includes eBook versions of the book your child is reading at school and allows your child to take a quiz to assess their understanding of the story. In line with the home reading calendar, your child's reading teacher will assign an eBook version alongside the book your child brings home.

You will find these eBooks on www.oxfordowl.co.uk.

If you are having trouble accessing these books or are feeling unsure, please email cawadmin@auroraacademies.org with 'Reading Question' as the subject.

Many thanks,

Ryan Faers

Safety in Action

Year 6

We were lucky to be invited to Hove Fire Hall to take part in Safety in Action!

We took part in 8 sessions where we learned how to stay safe... In the water, at home, on the roads, rails, secondary school and we even learned what to do if we need to help someone in an emergency!

The Year 6s did a fantastic job and represented our school in a brilliant manner!

National Smile Month

**Oral Health
Foundation**

This week marks the beginning of National Smile Month, and our wonderful team at CAW Nursery are taking the opportunity to introduce daily tooth brushing at school for all our little Hatchlings!

On Wednesday, our Hatchlings will welcome an NHS dental nurse who will teach them how to brush their teeth and send them home with a special Smile goodie bag.

Here's to beaming smiles full of healthy pearly whites!

Attendance at City Academy

As you might be aware, there is currently a real “push” on promoting excellent attendance for all pupils, from all schools and at local and national government level. As children have missed so much school over the last two years it is going to be so important that everyone is at school, every day – unless the absence is absolutely unavoidable.

We have seen an increase in requests for absence due to term time holidays recently, and in line with Brighton & Hove City Council’s Code of Conduct these are recorded as unauthorised. Please do not book any trips or holidays during term time as these will not be authorised. Any parent/carer of a child who is absent for a holiday during term time should expect to receive Fixed Penalty Notice fines from the Local Authority.

Please, please, please use the wonderful 175 NON-school days each year for holidays, trips and family time 😊

Journey by Aaron Becker

As Told By CAW Children

As part of our World Book Day celebrations last term, each class looked at the book Journey – a wordless picture book – and came up with their own version of the text. Click each link to read their words alongside the original illustrations.

If your child enjoyed Journey, there are two more books in the trilogy, Quest and Return, which continue the adventures of the two children!

PE Kits

We have decided to continue asking children to come into school in their PE kits on their PE days during the Summer term. Please ensure your child is wearing suitable PE kit, especially footwear, on their PE days below. As ever, it is fine for them to wear trackies and school jumpers during the colder weather.

PE days have changed for many children so please see below:

Please wear PE kit into school on these days:

Staying Healthy

Nut Allergy

We have children in school with severe Nut Allergies, therefore, please can we remind you that **no** food containing nuts should be brought into school. This includes but is not limited to Nutella, Peanut Butter, Pesto, Bread or Cereal/Chocolate Bars. Please take care when sending your child into school with food by checking the ingredients.

Sickness and Diarrhoea

If your child has been sick or has diarrhoea, please do not send them to school until 48 hours after their last bout. This is crucial in supporting us in reducing the risk of spreading viruses and keeping the school community as healthy as possible.

Water Bottles

Please make sure your children bring a named water bottle to and from school each day. We must remind you, we struggle to provide children with cups as these cannot be shared and are ecologically and economically a worse option than each child having their own clean bottle. **Please help us to keep your children hydrated by sending them to school with a named bottle every day.**
