# Top tips for sentence writing:

Say the sentence.

Count the words.

Fred Talk each word.

Say the sentence to remember which word comes next.

Use a finger space between each word.

Finish with a full stop.

The lines we use to write on at school are bigger than normal lined paper. Ask your grown up to draw some lines for you or write on plain paper.

Can you make your own Seagull?

You could use paper plates or anything else you can find around your home!
