An aerial photograph of City Academy Whitehawk. The school is a large, multi-story brick building with a long, rectangular main section and a smaller, circular section in the foreground. The building has many windows and a flat roof. In front of the school is a paved area with some trees and a small green structure. The school is surrounded by a dense residential area with many houses and gardens. The background shows a hilly landscape with more houses and trees. The sky is overcast.

Friday 2nd December

Dear City Academy Whitehawk Families,

With Christmas approaching, I hope that you and your family are feeling well. It's an especially challenging time for many families at the moment and we at school are preparing to make the biggest possible contribution to local foodbanks. Please don't hesitate to get in touch with myself or Mrs. Singh if you are in need of advice or support.

I'm so grateful to the families who responded to our recent survey – your feedback means the world to us. We'll be going through the results on Monday evening and having a really careful look at how we can improve the school even further. You'll be pleased to hear that we've had an excellent couple of weeks at school with fantastic learning going on in each of the classrooms. I've been proud to watch a lot of teaching this week and the children are a credit to their teachers and to you at home.

Please make sure you've read each page of this letter so that you're aware of what's going on here at school, especially our calendar page and the invitations to our Christmas performances!

We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.

So far 57% of our parents/carers have signed up to use the App.

You should have received the activation email, if you are having any problems activating the App please contact the school office.

We are aiming to use this Portal as our main Communication channel, to help reduce the amount of paper used in school.

Christmas Post 2022

Some of our children who celebrate Christmas might want to give cards to give to their friends at school – the post box is outside my office. We will be emptying our post boxes and delivering Christmas mail on Thursday 8th and Thursday 15th December.

For cards to reach their destination, label the envelope with the name of your friend, their year group and their class name.

Safer Sleep in Winter

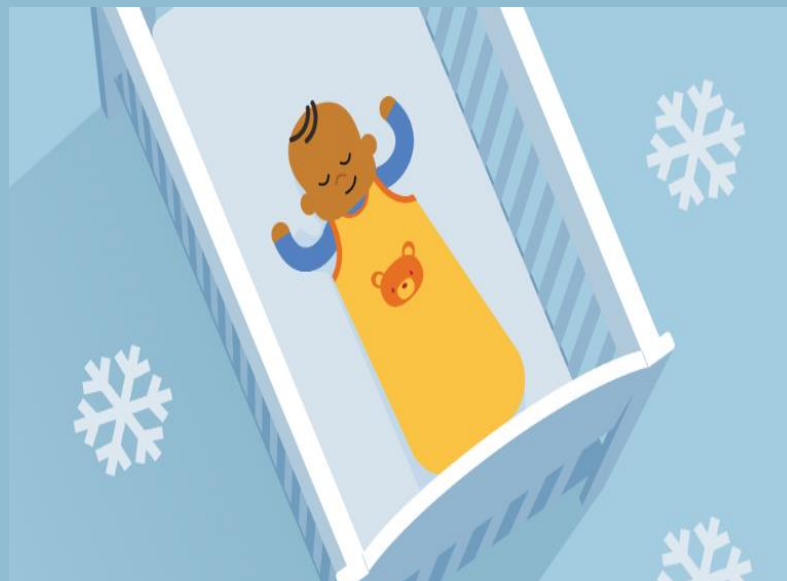

Keeping your baby safe when the weather gets cold

The Lullaby Trust has issued information around safe sleep for babies during the winter in response to rising energy costs. Please see below:

The recommended room temperature is 16-20 degrees, this may be difficult to maintain in the colder months. It can be tempting to wrap your baby up to keep them warm, however we know that overheating a baby increases the chances of SIDS (also known as cot death). Research shows babies are better to be cooler than too hot.

WELCOME TO

CITY ACADEMY WHITEHAWK

'Highest Expectations for All'

Do you have a child due to start school in September 2023?

I'd like to offer a warm welcome to all prospective parents.

Here at City Academy Whitehawk we are immensely proud of our school community. We would love for you to join our 'Outstanding' Reception classes in September 2023. We believe passionately in every child's potential; we support, nurture and challenge all children so that they flourish and become the very best that they can be. We strive to provide exceptional learning opportunities so that every child develops the self-belief, skills and knowledge that they need to live a successful, fulfilling life.

Thomas McMorris, Headteacher

Early Years rated Outstanding by Ofsted (2018)

“Children make a very strong start to school life in the Reception classes. Parents are overwhelmingly positive about the start to school life their children make.

“Appreciation of the needs of children in this age group has enabled them to provide good quality resources, both indoors and in the well-equipped outdoor area.

Why come and see us?

- Our highly skilled Reception team is committed to providing exciting learning experiences of the highest quality.
- Our purpose built Early Years setting is incredibly well resourced. Children have free-access to multiple classrooms and our expansive outdoor area which spans the entire width of our setting.
- We have a high ratio of adults to children in Reception to enable children to have the best possible start to school.
- All children are invited to attend a free Breakfast Club from 8am every day.
- Our whole school assessment results have increased significantly in recent years. Ofsted noted 'Pupils who left Year 6 made better progress than others nationally'.
- Children benefit from high quality and comprehensive Speech & Language provision.
- Play is at the heart of practice. We adopt an experiential approach to learning which immerses children in exciting hooks, problem solving and play-based activities.

“The Foundation Village here at City Academy Whitehawk has an effective learning environment which encourages a wealth of learning opportunities. We build foundations for children to thrive in education by promoting social interactions encouraging thinking, conversation, open-ended outcomes, developing imagination and creativity.

On December 2, our Year 6s welcomed Albion in the Community into school for an entire day of STEM (Science, Technology, Engineering and Maths) learning. Our job was to design football theme park for Tony Bloom to build next to the AMEX stadium.

We needed to carefully consider a variety of features and stay within their budget of £700,000 in order to meet the deadline to open the park.

WILL THEY MAKE IT?

Last year we trialled a homework app in Year 6 called ATOM Prime and we were thrilled with how engaged the children were in their learning.

You should have received an email to activate an account (if not that is fine) and login information will be sent home soon!

There are literally thousands of questions for children to access, last year we answered 12,500 questions, which is amazing!

Dear Parents /Carers,

After School Clubs Autumn Term 2022

We have always had a huge number of children attending after school clubs and we all hope this will continue this term. Please find the timetable for the autumn term attached. We are delighted to offer a variety of clubs for the children, some led by teachers and some by external coaches. Clubs will start the week commencing Tuesday 20th September and run for six weeks up to half term finishing on Friday 21st October. Clubs start back on Monday 31st October and run for six weeks until Friday 9th December.

ALL CLUBS MUST BE BOOKED USING PARENTPAY

IF YOU HAVE NOT YET SET UP A PARENTPAY ACCOUNT, PLEASE ASK THE OFFICE FOR YOUR LOGIN DETAILS

Entry to clubs on ParentPay will "open" at 6.00pm on Wednesday 14th September 2022 – you will not be able to book your child onto clubs before that time. Most clubs have a limited number of places – if the club is full you will not be able to book, but please contact the school office who can add your child to the waiting list.

The ParentPay system will only allow you to book a place if there is still a space available. All clubs are free this term.

If your child would like to take part in any of the clubs this term then the process is as follows:-

1. Logon to your ParentPay account and book the club following the instructions on screen.
2. We will confirm by text message that your child has a place on their chosen club, and which gate they will be need to be collected from.
3. Please take note of the club finish time. Your child will be brought out to you by their club tutor.

Please note the following:-

- If your child misses two weeks of a club without explanation they will lose their place.
 - If your child is not able to come to their club for any reason it is really important that you phone the office in the afternoon to let us know.
- Sometimes, due to unforeseen circumstances, we need to cancel a club. We only do this as a last resort. You will receive a text message confirmation of this so please ensure we have the correct contact details.

Please make sure that your child has the correct and appropriate clothing and footwear if doing a sports club. If you are not sure what they need to wear, please check with the school.

Children do not need to be booked onto the Year 4,5,6 Running club - they can just turn up at 8am every day at the canteen gate.

Very popular and successful free Breakfast Club continues every morning this term in the canteen from 8.00am to 8.30am and provides nutritious and delicious breakfasts including cereal, fresh fruit, croissants, eggs, beans, waffles and pancakes, followed by a variety of activities including, colouring and games. There is no need to book a place, just bring your child.

We have many children as possible will take up the opportunities provided with clubs and activities. We are still in discussion with some new external providers and may be able to offer more clubs after October half term.

If you have any questions, please do let us know.

Yours sincerely,
Mrs Al-Hattabi
PE Specialist Teacher

**3525 Air

Week 4	Goldfinches	Magpies

CAW Fluency Badge

Please can you join us in helping your children to learn their number bonds to ten (eg. $4 + 6 = 10$) and start to learn all single digit addition facts (eg. $5 + 7 = 12$). Knowing these facts helps children to be much more successful in all other areas of maths.

Children sit a national times tables assessment at the end of Year 4, by which time they should know all of their times tables facts. Please study these at home – we'll be teaching them at school too. **Children in Key Stage 2 can be quizzed by Mr. McAdam to win their Fluency Badge!**

If you earned a badge last year, please can you keep proudly wearing it! If you need a new badge – you will need to be quizzed again!

CAW Addition Facts

Our aim is for children to be able to recall all single digit addition facts as quickly as they can tell you their name.

They should also be able to recall their 2, 5 and 10 times tables.

Staying Healthy

Nut Allergy

We have children in school with severe Nut Allergies, therefore, please can we remind you that **no** food containing nuts should be brought into school. This includes but is not limited to Nutella, Peanut Butter, Pesto, Bread or Cereal/Chocolate Bars. Please take care when sending your child into school with food by checking the ingredients.

Sickness and Diarrhoea

If your child has been sick or has diarrhoea, please do not send them to school until 48 hours after their last bout. This is crucial in supporting us in reducing the risk of spreading viruses and keeping the school community as healthy as possible.

Water Bottles

Please make sure your children bring a named water bottle to and from school each day. We must remind you, we struggle to provide children with cups as these cannot be shared and are ecologically and economically a worse option than each child having their own clean bottle. **Please help us to keep your children hydrated by sending them to school with a named bottle every day.**

Additional Information

- Put a memorable key chain on your child's book bag.
- Please don't send your child in with toys from home in case they are lost or damaged.
- Please have a P.E kit for your child ready for Autumn 2.
- Please consider sending a spare set of clothes for your child's peg if you think your child may need this.
- Please name all of your child's items. We recommend displaying their name in the collar and also writing it on the back of the item's academy logo badge.
- If you would like to buy logo free blue polo shirts please do so. We do lots of messy play in Reception and we can get dirty sometimes. Some children like to keep their logo blue shirts for special occasions such as, school photos/events.
- Please bring a named water bottle to school.
- If eating packed lunches, please name your lunchbox.

Lost Property

We have a large amount un-named lost property, please ensure you name all of your child's belongings, including lunchboxes and water bottles.

We will then be able to return these items.
