

CAW Screen-Free February Half Term Activities

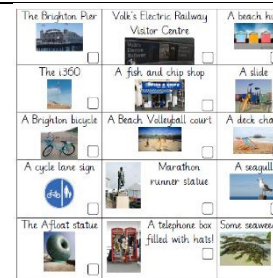

See links on the CAW Home Learning page of the school website.

Reading – How many of the [Reading Bingo](#) cards can you complete? Can you add any of your own?

I spy – Take a walk down to the beach. See how many of these things you can spot!

Fitness Card Games – Use a set of Uno cards or a deck of cards to play [these games](#) to keep you moving!

Focus Area – Draw out or [print](#) a car park (or an ariel view of a horse stables, farm or something else that you like) and write out key facts you are trying to learn in the spaces. This could be recognising numbers, learning to read tricky words or multiplication tables. An adult reads out one of the key facts and if the child responds correctly they can park a toy car (or animal) in the spot.

Valentines card – Spread some love and have a go at creating a valentine's card for someone special

Love you Berry Much: <https://www.theresourcefulmama.com/strawberry-valentine-day-card-craft/>
Bubble Wrap Hearts: <https://www.thebestideasforkids.com/valentine-cards-to-make>

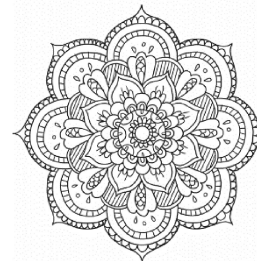

Maths – Improve your understanding of shape by using little sweets or marshmallows with cocktail sticks (or something similar). Read out a [shape name](#) and ask your child to collect the correct number of sides and create the shape. For extra challenge try to make some 3D shapes.

Lucky Dip – Click [this link](#) for 120 Boredom Busters and labels to make your own Activity Jar or Bag.

Colouring – Take some down time and colour in [these beautiful Mandela patterns](#).

Animal Picnic – Have fun with food and follow these simple recipes to have your own safari feast! [Click here](#) to view the recipes
