

Sports Week 2021

This year, due to children being in bubbles, 'Sports Day' became 'Sports Week'! In four separate sessions, each bubble across the school participated in running, jumping and throwing events.

Children competed in their houses of Air, Earth, Fire or Water and earned points for their team. Each child's points were added to their House's total across the whole school.

Sports Week 2021

Once all the children had competed in a variety of events, the scores were added up to find the winner. For the very first time, Earth won the CAW Sports Day Shield. Congratulations to them and all the children who competed so well!

<u>Overall Totals</u>	
Air	1137
Earth	1210
Fire	1179
Water	1139
