

: To be able to share a total equally between a set number of groups

Share these equally between the cakes.

12 gummy bears

4 jelly hearts

8 chocolate buttons

20 candles

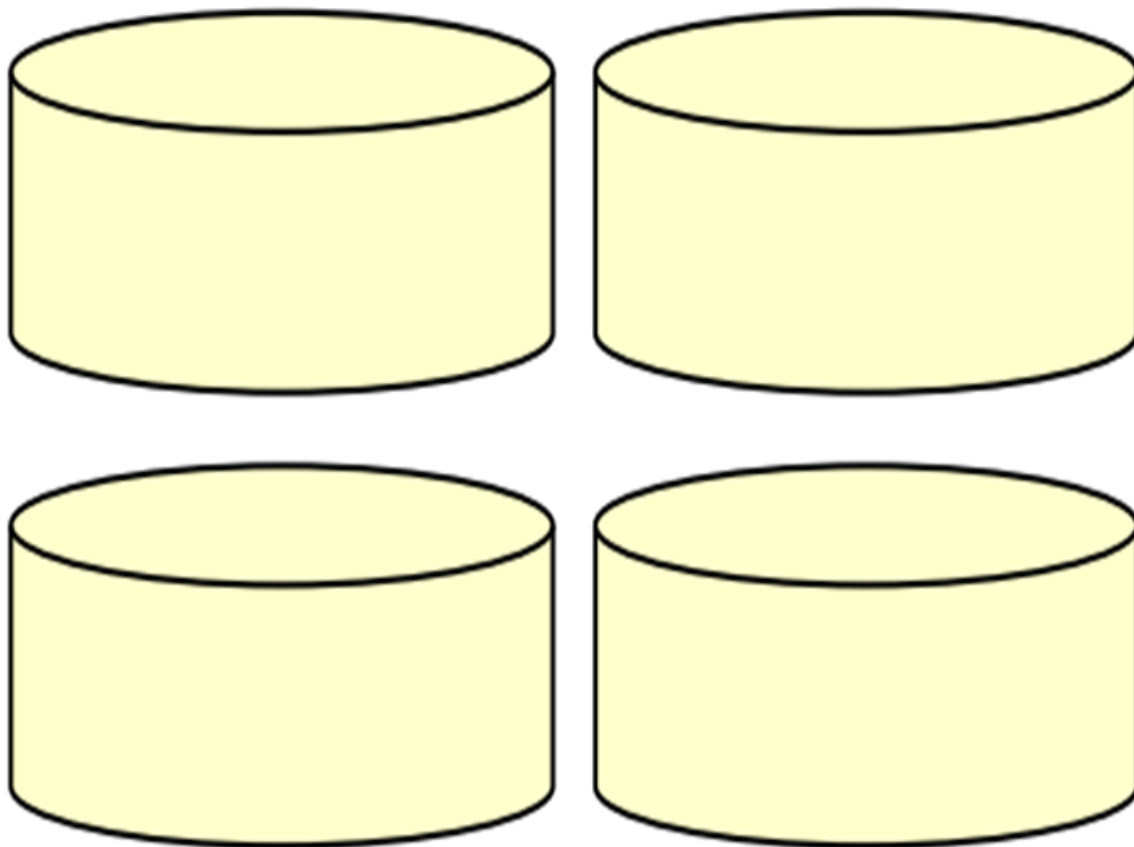

16 strawberries

Challenge

There are different amounts of decorations for the cakes below. Not all decorations can be shared equally.

Find out which decorations can be shared equally onto the cakes and which decorations cannot.

If we cannot share all the decorations equally, we cannot put them on the cake. These decorations will be left over.

12 gummy bears

4 jelly hearts

9 chocolate buttons

22 candles

19 strawberries
