Today we are going to be learning about an artist called Wassily Kandinsky

Wassily Kandinsky was born in Russia, in 1866.

Kandinsky thought a lot about what colours mean and how they make people feel. He believed that colours had a soul.

Russia is a country

It is the largest country in the world!

This a Russian toy called the Russian doll. It is made out of wood and is hand painted.

Russia is apart of the continent Asia

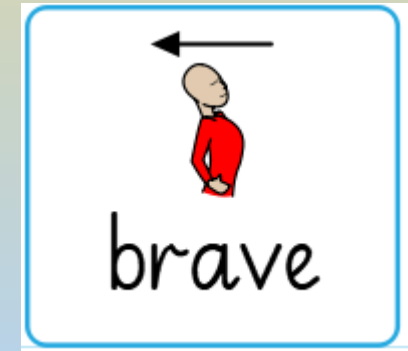

It normally has four parts to it and the dolls are different sizes which fit inside each other.

It is very cold there and you can find polar bears, deer and artic foxes.

The capital city in Russia is called Moscow

Today we are going to be learning about an artist called Wassily Kandinsky

Some people believe that we all have souls which is to do with our character. As in who we are as a person. What sort of person are you?
Describe yourself in three words – this is a way of describing your soul.

Today we are going to be learning about an artist called Wassily Kandinsky

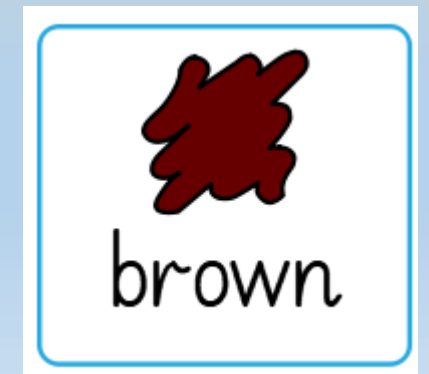

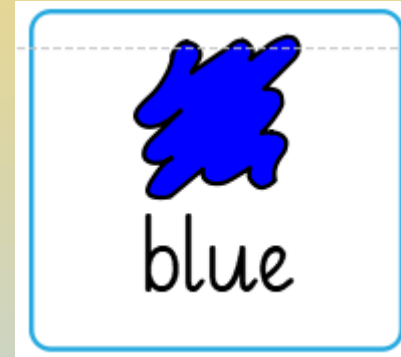

He was the first painter to stop painting pictures of objects and instead paint just using colours and shapes. He believed that this let him paint honestly about his feelings.

You can make your own circle pictures like Wassily Kandinsky. Remember, the circles must be one inside the other.

You can use paints, crayons or felt tips to make your colourful circle pictures.

Wassily Kandinsky: Painting Circles

Wassily Kandinsky was a Russian artist who was famous for painting his Kandinsky circles. Kandinsky liked to paint circles, one inside the other, into squares and then colour them. Can you imitate Kandinsky's paintings by drawing your circles inside the squares and colouring them? Remember that the circles need to be one inside the other.

First, think about what a good circle painting might look like. Have a look at the circles below to help you:
Next, practise painting/drawing circles in the boxes on the next page.
Last, on the blank page, have a go at creating your own abstract shape painting/drawing.
