WEEKLY BULLETIN - 06.11.26

WINTER WEATHER!

We aim to go outside for break and lunch at every available opportunity; even if it's a bit cold, a bit windy or a bit wet! I spoke about this with children in assembly yesterday and children have been reminded to wear or bring the following:

- a warm, waterproof coat
- enclosed, waterproof black school shoes (not crocs)
- a school jumper or cardigan
- wellies, umbrella, hat, gloves and scarf (optional if wanted!)
- vest or base layers if they feel the cold

Please support your child in being appropriately dressed for school by sending them in the appropriate, named, winter uniform and clothing. As we have very limited sheltered space in our playgrounds, children may get wet if it's rainy and they don't have a coat! We will remind children to collect their winter clothing before breaktimes and bring it back in from the playgrounds.

If you need any support in sourcing any of the above list, please get in touch with your child's class teacher, the office or any member of the leadership team who will assist you and your child in getting what they need to stay warm and dry!
